Researchers estimated only 11 per cent of people globally got on a plane in 2018 based on passenger data. Travel surveys show up to a quarter of flyers do so only once a year for their annual holiday.

~~Quilting -The Art of Borders~~

Let's add some Razzle Dazzle to your finish line. Innovative borders add an extra layer of excitement and discovery to enhance the visual impact of your quilt. Use them to enrich your color scheme, dramatize a theme, bring unity, balance, or create movement. Learn helpful principles of design as they apply to borders. Kathy shares tips for choosing complimentary innovative designs, construction of various options and quilting your borders. This book includes over 70 colorful images from many award winning quilters to inspire you. Borders are a splendid place to play. I hope this book fills you with excitement, and leads to new border ideas.

Showcases five hundred contemporary quilts in fabric and other media, incorporating diverse designs, materials, and techniques.

A funny thing happened on the way to the quilt show. . . . So the story invariably goes, because, where Robbi Joy Eklow (a.k.a. The Goddess of the Last Minute) goes, something funny is bound to happen--or simply to occur to her. As colorful and surprising as the quilts Robbi is famous for, the stories and reflections gathered here create an irresistible picture of an irrepressible character quilting and quipping her way through life. Filled with the kind of gems that have made her Quilting Arts Magazine column so popular, this book includes Robbi ' s musings on creativity and color, as well as on the trials and tribulations that every quilter faces. The Goddess of the Last Minute invites readers to take a wry look at those trials--and, with Robbi ' s wit and insight, turn them into the sort of crazy quilt that warms and brightens daily life. The story of how she became a Goddess, anecdotes of life on the road, encounters with fellow quilters: these and other often hilarious tales of a not-quite-charmed life make this quilter ' s compendium a delightful patchwork to contemplate, and to treasure.

~~Quilting -The Art of Borders~~

My Soul Has Grown Deep considers the art-historical significance of contemporary Black artists and quilters working throughout the southeastern United States and Alabama in particular. Their paintings, drawings, mixed-media compositions, sculptures, and textiles include pieces ranging from the profoundly moving assemblages of Thornton Dial to the renowned quilts of Gee ' s Bend. Nearly sixty remarkable examples--originally collected by the Souls Grown Deep Foundation and donated to The Metropolitan Museum of Art--are illustrated alongside insightful texts that situate them in the history of modernism and the context of the African American experience in the twentieth-century South. This remarkable study simultaneously considers these works on their own merits while making connections to mainstream contemporary art. Art historians Cheryl Finley, Randall R. Griffey, and Amelia Peck illuminate shared artistic practices, including the novel use of found or salvaged materials and the artists ' interest in improvisational approaches across media. Novelist and essayist Darryl Pinckney provides a thoughtful consideration of the cultural and political history of the American South, during and after the Civil Rights era. These diverse works, described and beautifully illustrated, tell the compelling stories of artists who overcame enormous obstacles to create distinctive and culturally resonant art. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Verdana}

~~Quilting -The Art of Borders~~

The dynamic design duo of Dr. Peggy Rhodes and Julia C. Wood brings new life to the hot trend of quilting with hexagons-they make hand piecing these little gems fast and fun. Use any size circle to yield the hexies you desire. Then use the authors' Reference Guide to determine yardage, another chart to figure how many you'll need, and two sizes of graph paper to draft your own unique hexie design. Make any of the 12 projects or create your own unique hexie quilt. The most common format for hexagon use is Grandmother's Flower Garden, and the authors explain a bit of history for color use and alternate names and arrangements. This book is a true hexie-lovers' delight.

Learn to create a three-dimensional showpiece that demonstrates both technical and artistic abilities. A great choice for quilters who love a challenge. Instructions on photo manipulation allow for images of varying sizes to blend seamlessly into one quilt. Learn how to bring out photo details with decorative stitches, thread painting, or bobbin work. Flora expounds upon how to pleat your images to create the 3-n-1 effect.

Rachel May ' s rich new book explores the far reach of slavery, from New England to the Caribbean, the role it played in the growth of mercantile America, and the bonds between the agrarian south and the industrial north in the antebellum era--all through the discovery of a remarkable quilt. While studying objects in a textile collection, May opened a veritable treasure-trove: a carefully folded, unfinished quilt made of 1830sera fabrics, its backing containing fragile, aged papers with the dates 1798, 1808, and 1813, the words " shuger," " rum," " casks," and " West Indies," repeated over and over, along with " friendship," " kindness," " government," and " incident." The quilt top sent her on a journey to piece together the story of Minerva, Eliza, Jane, and Juba--the enslaved women behind the quilt--and their owner, Susan Crouch. May brilliantly stitches together the often-silenced legacy of slavery by revealing the lives of these urban enslaved women and their world. Beautifully written and richly imagined, An American Quilt is a luminous historical examination and an appreciation of a craft that provides such a tactile connection to the past.
