Title page setup - APA Style

The sixth edition provides explicit rules for direct quotations and states that you must credit the source when

□paraphrasing, quoting an author directly, or describing an idea that influenced your work□ (p. 170). If the quotation is less than 40 words, incorporate the quotation into the text and place quotation marks round the quotation.

APA provides different guidelines for student and professional papers. The student version of the APA title page should include the following information (double spaced and centered): Paper title. Author name. Department and university name. Course number and name.

APA Title Page for Students and Professionals (2020) | Example

APA recommends that your title be focused and succinct and that it should not contain abbreviations or words that serve no purpose. Your title may take up one or two lines. All text on the title page, and throughout your paper, should be double-
