~~The Hippie Revolution (1986) - YouTube~~

The hippie movement of the late 1960s in the United States—tied up with Vietnam War service and anti-Vietnam War protests, the civil rights movement, and sexual liberation—fed back into the British rock scene. British beat groups also defined their music as art, not commerce, and felt themselves to be constrained by technology rather than markets.

~~Rock - Folk rock, the hippie movement, and "the rock ...~~

Often seen as the precursor to the hippie movement of the 1960s, the Beat Generation was primarily a group of young writers who explored the strange cultural shifts in post-World War II America. The Beat Generation was one of America's first counter-culture movements and embraced drug use, liberal sexuality and obscenity in their writings and works.

~~The History Of The Hippie Cultural Movement~~

The hippie subculture began its development as a youth movement in the United States during the early 1960s and then developed around the world. Its origins may be traced to European social movements in the 19th and early 20th century such as Bohemians, and the influence of Eastern religion and spirituality. From around 1967, its fundamental ethos — including harmony with nature, communal living, artistic experimentation particularly in music, and the widespread use of recreational drugs ...

~~History of the hippie movement - Wikipedia~~

Okay, so we understand that the revolution swept across popular culture, but how did it impact the average person? Not everybody in the 1970s was a liberated ex-hippie on a sexual mission. To judge from the film *The Ice Storm* (1997), the revolution wasn't an enlightenment, but rather a hollow cause, leaving the promiscuous sad and alone.

~~Tomaso Walliser - amazon.com~~

The origins of the terms hip and hep are uncertain. By the 1940s, both had become part of African American jive slang and meant "sophisticated; currently fashionable; fully up-to-date". The Beats adopted the term hip, and early hippies inherited the language and countercultural values of the Beat Generation. Hippies created their own communities, listened to psychedelic music, embraced the sexual revolution, and many used drugs such as marijuana and LSD to explore altered states of consciousness

~~Hippie - Wikipedia~~

The Time San Francisco Launched A Rock Music Revolution. There was no more iconic year for San Francisco than 1967, dubbed by historians the “ Summer of Love .”. It helped cement the city’s reputation for embracing creativity, individuality, and change, no matter how radical. During those summer months, thousands of travelers swept into the city’s hippie enclaves to find themselves and create a better world for everyone.

~~The Time San Francisco Launched A Rock Music Revolution ...~~

noun a person, especially of the late 1960s, who rejected established institutions and values and sought spontaneity, direct personal relations expressing love, and expanded consciousness, often expressed externally in the wearing of casual, folksy clothing and of beads, headbands, used garments, etc.
