Burro Genius So begins the passionate, touching memoir of Victor Villaseñor. Highly gifted and imaginative as a child, Villaseñor coped with an untreated learning disability (he was finally diagnosed, at the age of forty-four, with extreme dyslexia) and the frustration of growing up Latino in an English-only American school in the 1940s.

Memoir / Victor Villaseñor

Standing at the podium, Victor Villaseñor looked at the group of educators amassed before him, and his mind flooded with childhood memories of humiliation and abuse at the hands of his teachers. He became enraged. With a pounding heart, he began to speak of these incidents. When he was through, to his great disbelief he received a standing ovation.
