The Bible tells us that God's word is truth and that all scripture is profitable. For this reason, there's really no particular part of the Bible that you should focus on to find the truth, but rather you need to take it as a whole. I understand that some verses are confusing. Thus, it is important to seek out the truth with all our hearts.

If you were born before 1990, this may be the most valuable financial message you ever read... Something incredible is happening right now... An entirely new asset class is being created... One that is making more people rich than any other financial market. For example... If you had invested just \$100 in Bitcoin on January 1st 2017, you'd have \$1004 today - not bad right? What about if you'd also put \$100 into Ethereum on the same day? Well you'd have over \$8,500. Let's do one more. \$100 in Ripple on January 1st 2017 would be worth a staggering \$14,300 today. That's over a \$20,000 return from a \$300 investment. Or over \$200,000 if you'd put in \$3,000. A life

Cryptocurrency, Bitcoin, ICO, blockchain, mining... When hearing those words just a couple of years back, people used to say: It's a scam, financial bubble IThere is no point in investing, the price is too low INo country will ever recognize cryptocurrency IIIt's an obvious pyramid scheme IIIIt's a sort of amusement for nerds IIIt's not serious, it will collapse in a couple of years. Until recently, cryptocurrency had been viewed as a sort of amusement for a handful of the chosen who bought and sold something and believed that a new currency would make a hit one day! You surely were also among those people who did not take Bitcoin and cryptocurrency seriously, but the current events gag even the biggest skeptics. Current Bitcoin price is 6,644\$* The price of the most popular cryptocurrency repeatedly breaks all the unthinkable records. Capitalization is about \$120 billion World recognition The world's largest economies - India and Japan - recognized Bitcoin as the official currency. The US authorities recognized cryptocurrency as the asset. And this is just the beginning. Mining on an industrial scale The cryptocurrency market is extremely fast-changing, and it is almost impossible to monitor the situation and make the right decisions on your own. Most people have no proper experience, time and money for that. My book gives basic yet quite extensive information for those people who do not chase a rainbow but want to build a long-term profitable business in one of the cryptocurrency areas: from mining to investing. So, this book is not about: Illegal ways of making money Praising cryptocurrency and urging you to invest in it to the last penny Fraud techniques and making a fast buck Boring and pointless theory Ways to earn millions without investments and risks This book will help you get to learn the following: Which way of making money in cryptocurrency market suits you best. Where should you start if you have just \$500. What information about cryptocurrency the experts withhold (Take the rose-colored glasses off!). How to elaborate a personal strategy, set up your own cryptocurrency business and earn your first \$3,000-10,000 as early as 2018. I can also guarantee that you: Puzzle out the main present-day currency trend even if you are clueless about economics, finance and technology. Understand whether you really want to invest in cryptocurrency (perhaps, this type of business doesn't suit you at all and you will save your time) Get to learn how to check the risks and not to invest in the first available currency Having considered my experience, protect yourself from possible failures and pouring money down the drain which will inevitably happen if you go it blind. Thus, my goal is fairly simple: help you set up and develop business in one of the cryptocurrency areas. Find out 7 cryptocurrency investment strategies + 2 perfect strategies today! It is definitely Amazon Great Deal: You can read on your PC, Mac, smartphone, tablet or Kindle device.
