The 2017 Cycling and Society Symposium focused on Cities To Share – how cycling and society interact. It was held on the 7th and 8th September, at Imperial College London. Programme. This was the call for abstracts for the 2017 Symposium. Thank you to all of you who submitted abstracts. We offered a varied and interesting programme that covered a range of important themes in cycling research.

Cycling & Society 2017 – Overview | Cycling and Society

Initially, I viewed cycling as a means to an end, I was dieting and needed to move my body regularly, and my journey to and from work was 45 minutes of unused exercise potential that didn ' t eat into my social life (excuse the pun). So I bought myself a bike - a pretty one, of course, not a functional one - and set about cycling to and from ...
