An exceptionally illustrated fiction for millions of Blizzard fans, Diablo III: Book of Cain is the source book for Blizzard Entertainment's Diablo franchise and the best-selling Diablo III game, as told by the games' core narrator, Deckard Cain. In Blizzard

Entertainment's Diablo® and Diablo II, the recurring character of Deckard Cain delivered quests, accompanied the brave adventurer, and, as the last of the Horadrim, provided a link to the greater history of the world of Sanctuary. Ever mysterious during these appearances, Cain hinted at a larger story, providing snippets of it in his notebook. Diablo III: Book of Cain is Cain's formal record of this greater tale—a dissertation on the lore of the Diablo universe, told by one who has witnessed and participated in some of the epic events that make up the eternal conflict between the High Heavens and the Burning Hells. Designed as an "in-world" artifact from the Diablo universe, Diablo III: Book of Cain includes Cain's revealing meditations, as well as dozens of sketches and color artworks depicting the angelic and demonic beings who wage constant war with one another.

From Blizzard Entertainment, the makers of critically acclaimed games such as Warcraft®, StarCraft®, and Diablo® comes this exciting companion edition to Diablo III: Book of Cain, giving fans an in-depth look into the mind of Tyrael, a key character of the Diablo universe. One of the most exciting and visceral action role-playing games in recent memory, Diablo® has become a worldwide gaming phenomenon. Diablo III: Book of Tyrael takes fans even further into the universe with a detailed and beautifully crafted artifact that focuses on the renowned champion Tyrael. As a former archangel of the High Heavens, he ranks among the most important and influential characters in the Diablo franchise. Here, in this illustrated and comprehensive tome, he reveals never-before-known secrets about the history of the world, the dark threats that yet face mankind, and his decision to join the ranks of humanity as a mortal. Featuring stunning original art throughout, this beautifully illustrated follow-up to Diablo III: Book of Cain will also feature letters from Leah and additional fragments of Cain's writings, all curated by Tyrael as he weaves together a complex and fascinating story for the members of the Horadrim.

Struggling as the new Aspect of Wisdom and being a mortal among angels, Tyrael puts the fate of Heaven into the hands of the human race after the Black Soulstone brings growing darkness and discord into the realm. Original.

create characters worthy of song and legend for the Dungeons & Dragons roleplaying game. The revised Player's Handbook is the definitive rulebook for the Dungeons & Dragons game. It contains complete rules for the newest edition and is an essential purchase for anyone who wants to play the game. The revised Player's Handbook received revisions to character classes to make them more balanced, including updates to the bard, druid, monk, paladin, and ranger. Spell lists for characters have been revised and some spell levels adjusted. Skills have been consolidated somewhat and clarified. A larger number of feats have been added to give even more options for character customization in this area. In addition, the new and revised content instructs players on how to take full advantage of the tie-in D&D miniatures line planned to release in the fall of 2003 from Wizards of the Coast, Inc.
