High Performance Neon Builder's Handbook is your one-stop shop for all the information you need to get the maximum performance out of your Dodge Neon. This comprehensive book details everything including available Neon models, suspension and braking improvements, drivetrain modifications, and working on a budget. Engine modifications are extensively covered, including specific details about intake systems, exhaust systems, ignition and fuel systems, short-block modification, and thorough coverage on heads, cams, and valvetrain. A helpful chapter on how and where to go racing is also included, as well as a handy source guide. If you want to make your Neon the hottest sport compact on the street, this is the book for you.

Using a Haynes manual is like having a mechanic in every book. Our mechanics and writers work together on the project vehicle to arrive at the best possible procedures for the home mechanic and then photograph the actual work and write instructions so the reader can easily follow along. Haynes manuals include procedures for everything from routine maintenance to complete engine overhaul, and include wiring diagrams in the back of each book.

Total Car Care is the most complete, step-by-step automotive repair manual you'll ever use. All repair procedures are supported by detailed specifications, exploded views, and photographs. From the simplest repair procedure to the most complex, trust Chilton's Total Car Care to give you everything you need to do the job. Save time and money by doing it yourself, with the confidence only a Chilton Repair Manual can provide.

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index. This repair manual covers all Dodge and Plymouth Neon models, 1995-1999.

Covers U.S. and Canadian models of Dodge and Plymouth Neon. Does not include information specific to SRT-4 models.

Haynes Manuals have a new look! To ensure the continued success of one of the industry's most dynamic manual series, Haynes has color coded their covers by manufacturer and replaced the familiar cover artwork with computer-generated cutaway photography. By Summer 2000, 80 percent of Haynes manuals will have the colorful new design. Inside, enthusiasts will find the same reliable information -- whether the reader has simple maintenance or a complete engine rebuild in mind, he or she can rest assured that there's a Haynes Manual for just above every popular domestic and import car, truck, and motorcycle. Hundreds of illustrations and step-by-step instructions make each repair easy to follow.
