Coinage in Anglo-Saxon England - Wikipedia

Early coins. Copied from the late ancient Roman coin solidi, Anglo-Saxon coins began production in the seventh century. The early coins were named tremissis or thrymsas and made of gold and, rather than being used for currency, they were used as decoration by kings and rich nobles to show importance and wealth. As there were only a few of these coins ever produced, they would make an amazing centrepiece to any Anglo-Saxon coin collection or a collection of rare coins. A real currency
