Hunt for the Jews: Betrayal and Murder in German-Occupied Poland is a 2013 book about the Holocaust in Poland by Jan Grabowski. The 2013 English edition followed a 2011 Polish-language edition (published as *Judenjagd: polowanie na Żydów*) [2] and was in turn followed by a 2016 Hebrew edition.

Hunt for the Jews - Wikipedia

Judenjagd, hunt for the Jews, was the German term for the organized searches for Jews who, having survived ghetto liquidations and deportations to death camps in Poland in 1942, attempted to hide "on the Aryan side."

Hunt for the Jews: Betrayal and Murder in German-Occupied ...

As Jan Grabowski's penetrating microhistory reveals, the majority of the Jews in hiding perished as a consequence of betrayal by their Polish neighbors. Hunt for the Jews tells the story of the Judenjagd in Dabrowa, Tarnowska, a rural county in southeastern Poland. Drawing on materials from Polish, Jewish, and German sources created during and after the war, Grabowski documents the involvement of the local Polish population in the process of detecting and killing the Jews who sought their aid.

Hunt for the Jews: Betrayal and Murder in German-Occupied ...

A schoolteacher's 1942 diary recorded a hunt for Jews who had escaped deportation to the death-camps: in the "orgy of murders," alongside Germans and their "Ukrainian and Latvian helpers," "our dear policemen"—Nazi-subservient blue-uniformed Poles—and "normal Poles, accidental volunteers, took part," in hastily formed "citizens' militias."

Judenjagd, hunt for the Jews, was the German term for the organized searches for Jews who, having survived ghetto liquidations and deportations to death camps in Poland in 1942, attempted to hide "on the Aryan side."

Hunt for the Jews: Betrayal and Murder in German-Occupied ...

Hunt for the Jews: Betrayal and Murder in German-Occupied Poland is a hallucinatory journey into the cruel logic of the Holocaust. Jan Grabowski's account of how a handful of Jewish refugees survived the orchestrated hunt for Jews following the Nazi liquidation of Poland's ghettos in 1942 is reminiscent of Jerzy Kosiński's *The Painted Bird*.

Judenjagd, hunt for the Jews, was the German term for the organized searches for Jews who, having survived ghetto liquidations and deportations to death camps in Poland in 1942, attempted to hide "on the Aryan side." Jan Grabowski's penetrating microhistory tells the story of the Judenjagd in Dąbrowa Tarnowska, a rural county in southeastern Poland, where the majority of the Jews in hiding perished as a consequence of betrayal by their Polish neighbors. Drawing on materials from Polish, Jewish, and German sources created during and after the war, Grabowski documents the involvement of the local Polish population in the process of detecting and killing the Jews who sought their aid. Through detailed reconstruction of events, this close-up account of the fates of individual Jews casts a bright light on a little-known aspect of the Holocaust in Poland.

A revealing account of Polish cooperation with Nazis in WWII—a "grim, compelling [and] significant scholarly study" (Kirkus Reviews). Between 1942 and 1943, thousands of Jews escaped the fate of German death camps in Poland. As they sought refuge in the Polish countryside, the Nazi death machine organized what they called Judenjagd, meaning hunt for the Jews. As a result of the Judenjagd, few of those who escaped the death camps would survive to see liberation. As Jan Grabowski's penetrating microhistory reveals, the majority of the Jews in hiding perished as a consequence of betrayal by their Polish neighbors. Hunt for the Jews tells the story of the Judenjagd in Dąbrowa, Tarnowska, a rural county in southeastern Poland. Drawing on materials from Polish, Jewish, and German sources created during and after the war, Grabowski documents the involvement of the local Polish population in the process of detecting and killing the Jews who sought their aid. Through detailed reconstruction of events, "Grabowski offers incredible insight into how Poles in rural

Poland reacted to and, not infrequently, were complicit with, the German practice of genocide. Grabowski also, implicitly, challenges us to confront our own myths and to rethink how we narrate British (and American) history of responding to the Holocaust" (European History Quarterly).

Why were the Nazis so successful in deporting Jews? Why did families such as Anne Frank's get turned in? Investigative journalist Ad van Liempt pulls back the curtain on the shocking practice of Dutch bounty hunters of the Jews, and reveals that ordinary citizens were prepared to turn over their Jewish countrymen in exchange for cash. Van Liempt examines in great detail the careers of bounty hunters and describes some particularly horrifying cases. The most gripping are those involving young children. In one case, two bounty hunters traveled hundreds of miles to get their hands on a two-year-old girl living in a safe house; a month later she was gassed at Sobibor. In court, the bounty hunters consistently maintained that they received no premiums for their work, but the author shows the opposite to be true and traces the money involved. This haunting book uncovers a facet of the Holocaust that has previously been largely neglected and brings to light the day-to-day workings of the persecution of the Jews.

Three million Polish Jews were murdered in the Holocaust, wiping out nearly 98 percent of the Jewish population who had lived and thrived there for generations. *Night Without End* tells the stories of their resistance, suffering, and death in unflinching, horrific detail. Based on meticulous research from across Poland, it concludes that those who were responsible for so many deaths included a not insignificant number of Polish villagers and townspeople who aided the Germans in locating and slaughtering Jews. When these findings were first published in a Polish edition in 2018, a storm of protest and lawsuits erupted from Holocaust deniers and from people who claimed the research was falsified and smeared the national character of the Polish people. *Night Without End*, translated and published for the first time in English in association with Yad Vashem, presents the critical facts, significant findings, and the unmistakable evidence of Polish collaboration in the genocide of Jews.

The Polish Underground and the Jews, 1939–1945 examines one of the central problems in the history of Polish-Jewish relations: the attitude and the behavior of the Polish Underground - the resistance organization loyal to the Polish government-in-exile - toward the Jews during World War II. Using a variety of archival documents, testimonies, and memoirs, Zimmerman offers a careful, dispassionate narrative, arguing that the reaction of the Polish Underground to the catastrophe that befell European Jewry was immensely varied, ranging from aggressive aid to acts of murder. By analyzing the military, civilian, and political wings of the Polish Underground and offering portraits of the organization's main leaders, this book is the first full-length scholarly monograph in any language to provide a thorough examination of the Polish Underground's attitude and behavior towards the Jews during the entire period of World War II.

For over a century, Jews have been identified with liberalism. Not only have they been a driving force behind the spread of liberal politics; they have also been steadfastly loyal to a doctrine that promised them both safety and political acceptance. Recent evidence suggests that their commitment has not waned. But while Jews continue to stand up for other groups and "vote their conscience," contends Ruth Wisse, the liberal commitment to the Jews is not nearly so strong. Whenever Jews have been attacked - from the trial of Captain Dreyfus to the sustained military and political war against Israel - liberals have been slow to defend Jewish rights and have preferred instead to hold the Jews responsible for the persistence of their enemies. The explanation for this liberal default, Wisse argues, is the survival and success of anti-Semitism. This irrational idea continues to flourish throughout the world, despite the destruction of the fascist and communist regimes that were its deadliest twentieth-century allies. Wisse points out that anti-Semitism's astonishing resilience has put liberals - including liberal Jews - in an impossible position. The only reasonable response to such a doctrine, Wisse insists, is not appeasement or avoidance, but steadfast confrontation and rejection. Yet such opposition is alien to liberal ideas of open-mindedness and strikes many as intolerant. Unwilling to suspend their optimistic view of man as a benevolent and rational being in order to combat a mortal enemy, most liberals - including many Jews - conclude that Jews themselves must be responsible for the continuing wars against them - thus implicitly condoning their sacrifice. Wisse's book, inspired by a friend's emigration to Israel, traces the Jewish romance with liberalism from its discovery by Jewish integrationists and Zionists to the acceptance today by many Jews of a moral equivalence between Zionism and the war against it. She also explores, among the many contradictions of modern Jewish politics, the ambiguous question of Jewish "chosenness," and the Jewish longing for acceptance in a larger human family; the successful Arab war of ideas against Israel; and the dilemma of Jewish writers and intellectuals who wish to transcend their parochializing siege. Above all, she shows how and why anti-Semitism became the twentieth century's most successful ideology and reveals what people in liberal democracies would have to do to prevent it from once again achieving its goal.

What happened in Nazi Germany to turn a fondly remembered childhood Jewish classmate into a serial murderess and tool of the Gestapo? Seeking answers, Peter Wyden traveled back into his own past. The result is this deeply personal work, a true-life *Sophie's Choice*, unique in Holocaust literature. Photos.

Betrayed! is the page-turning account of a loving Jewish family caught on divergent prongs of a historic conflict. When Stan Telchin's daughter accepts Jesus as her Messiah, she makes a touching plea for him to search out the truth for himself. Intending to prove her wrong, Telchin sets out on a vigorous and critical examination of the claims of Jesus Christ. He is astonished at what he learns and finds himself facing a wrenching and life-changing decision. As readers travel with Telchin, they too will discover a deeper, fuller awareness of both Judaism and Christianity, as well as how God can heal wounds from the bitterest conflicts. Even more, readers will discover the inexorable power of the gospel. This new edition includes an update from the author and wisdom-filled words on Jewish identity.

One family's inspiring true story of love, escape, and survival "An uplifting tale, suffused with a karmic righteousness that is, at times, exhilarating." —Wall Street Journal "A gripping narrative that reads like a page turning thriller novel." —NPR In the summer of 1942, the Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the

forbidding Bialowieza Forest. They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story.

An astonishing and heartbreaking study of the Polish Holocaust survivors who returned home only to face continued violence and anti-Semitism at the hands of their neighbors “[Fear] culminates in so keen a shock that even a student of the Jewish tragedy during World War II cannot fail to feel it.”—Elie Wiesel FINALIST FOR THE NATIONAL JEWISH BOOK AWARD □ NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST BOOK WORLD Poland suffered an exceedingly brutal Nazi occupation during the Second World War, in which 90 percent of the country's three and a half million Jews perished. Yet despite this unprecedented calamity, Jewish Holocaust survivors returning to their hometowns in Poland after the war were further subjected to terror and bloodshed. The deadliest peacetime pogrom in twentieth-century Europe took place in the Polish town of Kielce on July 4, 1946. In *Fear*, Jan T. Gross addresses a vexing question: How was this possible? At the center of his investigation is a detailed reconstruction of the Kielce pogrom and how ordinary Poles responded to the spectacle of Jews being murdered by their fellow citizens. Anti-Semitism, Gross argues, became a common currency between the Communist regime and a society in which many were complicit in the Nazi campaign of plunder and murder—and for whom the Jewish survivors were a standing reproach. For more than half a century, the fate of Jewish Holocaust survivors in Poland was cloaked in guilt and shame. Writing with passion, brilliance, and fierce clarity, Jan T. Gross brings to light a truth that must never be ignored. Praise for *Fear* “That a civilized nation could have descended so low . . . such behavior must be documented, remembered, discussed. This Gross does, intelligently and exhaustively.”—The New York Times Book Review “Gripping . . . an especially powerful and, yes, painful reading experience . . . illuminating and searing.”—Los Angeles Times Book Review “Gross tells a devastating story. . . . One can only hope that this important book will make a difference.”—Boston Sunday Globe “A masterful work that sheds necessary light on a tragic and often-ignored aspect of postwar history.”—Booklist (starred review) “Astonishing . . . Gross supplies impeccable documentation.”—Baltimore Sun “Compelling . . . Gross builds a meticulous case.”—Publishers Weekly (starred review)
