First of all I am very much interested in the history of Dark Age Britain and when I read a historical romance I want proper historical background in it as well.~~

"Surrender My Love" is the story of Viking Selig and Dane Lady Erika. After the amazing "Hearts Aflame", I was super excited for Selig's book, Kristen's brother. The plot: While on a mission, Selig is captured and wounded. When he goes to the Danes for him, they mistake him for a spy and because of "someone", he gets tortured.
