those of regular, American-style comic book characters. But did you know that manga bodies are also different? Well, they are, and Christopher Hart is here, once again, to tell you all about it in his signature accessible style. This book is loaded with clear step-by-step instructions and illustrations, anatomical charts and information, and before-and-after comparisons you won't find anywhere else—all tailored to creating authentic Japanese-style manga. And in addition to the breakdowns of the various sections of the body, you'll also learn how all the different elements—including faces and costumes—come together to form complete characters. *Basic Anatomy for the Manga Artist* contains everything you need to know. No aspiring mangaka (manga artist) should be without it.

Readers will follow the 15 personal power-ups the author used to transform himself from academic and social failure to wildly successful marketing entrepreneur and podcaster--by applying his mindset as a competitive eSports gamer to real-life situations.

Can love survive? It's winter, and a bitter chill of desperation has settled over Miki and Hiro. Far from home, the young couple treks through the frozen north, with Akuzu's powerful agents hot on their trail. Miki knows they are determined to tear her and Hiro apart. But she has different plans. With the help of an unlikely ally, Miki and Hiro endure a daring journey, battling freezing conditions and frightening forces just to be together. Miki is certain they can make it, hoping that love really does conquer all.
