~~—Memory, History, Forgetting on Apple Books~~

The over-arching intent of Ricoeur's phenomenology is to outline the significance and demand for each individual to be involved in writing the "truth" of the intentionality of history. Therefore he posits "forgetting" as the third moment in his triad because it designates the moment of "return" and the demand to revise our discriminations, in order to write a better posited model that specifically addresses the need to overcome human guilt; which Ricoeur perceives as the fundamental problem ...
