Nationalism and Minority Identities in Islamic Societies. Book

Description: The essays focus on identity formation in five minority groups - Copts in Egypt, Baha'is and Christians in Pakistan, Berbers in Algeria and Morocco, and Kurds in Turkey and Iraq. While every minority community is distinctive, the experiences of these groups show that a state's authoritarian rule, uncompromising attitude towards expressions of particularism, and failure to offer tools for inclusion are all responsible ...

Leading scholars examine how the radicalization of Islamic Nationalism has undermined ethnic minority communities in the Middle East, North Africa, and Asia. The movement of nation building in Islamic societies away from the secular or Pan-Arab models of the early twentieth century toward a variety of nationalisms was accompanied by growing antagonism between the Muslim majority and ethnic or religious minorities.

The volume of essays, Nationalism and Minority Identities in Islamic Societies, as edited by Maya Shatzmiller is a consolidated solid research collection with the main topic being national identity formation as witnessed amongst the religious and ethnic minorities that exist within the countries that enjoy Muslim-majority populations. Through the collection, Shatzmiller creates the thematic basis by establishing an argument to the opinion that the secular model of nation-building.

Religious nationalism, or the fusion of religious and national identities and goals, is an increasingly salient aspect of nationalism. Rather than secular nationalism simply replacing religious identities and allegiances, religious and national identities coexist and even reinforce each other. Such religious nationalism becomes a powerful force in buttressing popular religiosity and attitudes ...

About Nationalism and Jewish Identity in Morocco. Moroccan Jews can trace their heritage in Morocco back 2000 years. In French Protectorate Morocco (1912-56) there was a community of over 200,000 Jews, but today only a small minority remains. This book writes Morocco's rich Jewish heritage back into the protectorate period.
