Examiners should consistently apply the following principles  
Diagrams  
Diagrams that have working on them should be treated like normal responses. If a diagram has been written on but the correct response is within the answer space, the work within the answer space should be marked.

Questions & Mark Schemes  
The AQA GCSE maths specification is  
made up of all the key topics within  
the mathematics curriculum. The  
examination is terminal and is made  
up of three test papers that each  
student must sit. There are two tiers,  
foundation and higher. The  
foundation tier enables students to  
achieve up to a level 5. The higher tier  
enables students to achieve a level  
4-9.
