Primary Inversion is a science fiction novel in the Saga of the Skolian Empire by Catherine Asaro. As Asaro's debut novel, it first appeared as a hardcover in 1995. It was nominated for the 1996 Compton Crook/Stephen Tall Memorial Award and placed tenth on the list for the Locus Award for Best First Novel.

Primary Inversion - Wikipedia

Primary Inversion is a quick, fun read. Nothing profound. There's quite a bit too much world-building in the first pages, and the amount of pseudo-science babble is pretty extreme. A few of the characters are well conceived, but the villains are stick figures.
