Rural Life in Victorian England, 1800-1900: Amazon.co.uk ...

Jane Austen's novels are set at the end of the eighteenth century in large country estates, and depict the lives of the wealthy and not so wealthy landowners. Rural life is seen as an unchanging, normative society. Excursions to towns or to London tend to be disruptive and show the artificiality of the wealthy.

Victorian rural life from Crossref-it.info

Life on a Victorian Farm Farming was an integral part of life in Victorian times. In 1837 when Queen Victoria came to the throne, more than half the population of Great Britain worked in the countryside. Each village had a hierarchy with the squire being the local landowner.

Life on a Victorian Farm on AboutBritain.com

Looking back on images of rural Victorian life, such as this photograph, 'Coming home from the marshes' by Peter Henry Emerson, it is easy to think of this era as an idyllic time for rural life. After the Great War (1914 - 1918), England created a nostalgic image of its rural past: quaint villages, lush fields, happy farming families.

Victorian farming - British Library

Rural Life Although much of Great Britain's population did leave the countryside to reap the benefits of industrialization, village life did not come to an end. Farming was still very much a part of life in Victorian Britain. With the advent of steam-power, farm machinery was easier to use and made for a faster workday.

All Change in the Victorian Age - BBC

Old rural properties grew up in a haphazard manner with different room layouts, often tiny. They were mainly occupied by manual workers, although there were also some white colour workers, such as postmasters. The cottages and houses were not parts of housing estates like the Victorian terraces or the 1930s estates.

What life was like in old, rural un-modernised cottages

Although the Victorian era was a period of extreme social inequality, industrialisation brought about rapid changes in everyday life that affected all classes. Family life, epitomised by the young Queen Victoria, Prince Albert and their nine children, was enthusiastically idealised. The billiard room at Down House, Kent, the home of Charles Darwin
