4.0 out of 5 stars Whatever she wants. Reviewed in the United States on January 21, 2015. Verified Purchase. A fascinating --- and supposedly true--- description of the life of a male escort. No women were harmed during the process of writing this book (in fact the author claims the opposite to be true, and I'm inclined to believe him).

Everything is her fault and she just sits there in her house doing whatever she wants. She needs to be punished. L.S. Dear L.S. You seem to have a dysfunctional family. Something is radically wrong. It is sickening to hear a mother admitting that she is having sexual intercourse with her son. My Lord, this is disgraceful behaviour.

Popularity has its pitfalls, and Polly is discovering them firsthand in this middle-grade MIX novel. Polly Pierce likes being the second-most popular girl at Winston Academy, right after her BFF, Kelsy. Popularity comes with special privileges, like a seat at the best table in the cafeteria and a coveted spot on the planning committee for the school's big talent show competition, Groove It Up! And since all Polly has to do is agree with whatever Kelsy says, being popular is easy—even if kids do call her "Plastic Polly" behind her back. But when a freak accident takes Kelsy out of the picture, Polly is suddenly in charge of the Groove It Up! committee. She's not prepared for her new status—and neither is anyone else. Backstabbing friends, an intimidating crush, and diva demands from an injured Kelsy all threaten to derail Polly's plans. Can she prove to everyone—and herself—that she has a personality of her own?

Since 1995, Michelle Cox has been an active participant in online chatrooms, gaming sites, and lobby activity. She is also a nurse who was a regular visitor to the Physicians Online room, a place that became more to her than just a chatroom. The people who made Physicians Online a phenomenon became a family. There, doctors, nurses, and other professionals shared their lives together. They extended their relationships beyond the keyboard, meeting for lunch, events, parties, and much more. The face-to-face parties were legendary, and now Michelle welcomes you into her memories. To protect the innocent and the infamous she has changed or altered the screen names of the real-life characters who populated her online haunts. Even so, each and every story is inspired by reality. The community was involved in drama, sex, outrageous parties, and even murder. Physicians Online invented the word cyber-bullying before it became a world-wide term. In this personal narrative, Michelle shares true and amazing stories about her experiences with this online group with the hope of conveying just a little of what she felt in the early days of Internet communities.

'The morning after meeting Hugh, I was heading out the door when I saw I had a new message. I opened it cautiously and saw six words that made my heart skip a beat. I need to see you again.' Ava Reilly was just starting her career in PR when she was sent to meet one of the industry's major players. She was naive to the ways of the entertainment business, but was determined to make a good impression. What she wasn't prepared for was the electricity she would feel between them from the moment of their first meeting. Soon they had embarked on a stormy, seductive love affair, with liaisons in opulent hotels across Australia and around the world. The thrill of their encounters was tainted by constant pressure to keep their relationship out of the public eye, as the danger of being discovered could put not only their personal lives but their professional lives at risk. Ava also felt the weight of her conscience - she had never, ever imagined herself as the other woman. However, it had been a long time since she'd been able to truly trust a man, and Hugh seemed to be only one who could come close to breaking down the protective walls Ava had built around her heart. Working day to day in an industry where secrets are currency, Ava's lips were tightly sealed about what was happening between her and Hugh - until she began to make her confessions. Confessions of A Millionaire's Mistress is the true story of an innocent young woman who found herself swept into a passionate, irresistible romance with a charismatic, wealthy, powerful man who is used to getting what he wants - whatever the cost.
